## Beginndergarten Supply List 2023-2024

- Paper towels
- Kleenex
- Backpack
- Pillow( unless you have a nap mat that includes one)
- Small blanket or cot sized sleeping bag (Amazon also has “nap mats” that roll up nicely and fit nicely on the cots. Wildkin is a common brand or Jay Franco.... They have built in pillow and blanket and many times their own bag.
- Large bag to transport pillow and blanket- if not a nap mat that has this (Large JUMBO Ziplocs are in the picnic aisle at Meijer. They are large enough for blankets and pillows and work great for transporting back and forth every week).
- Over the head headphones. No ear buds. Please label these and put in labeled plastic ziplock.
- NON SPILL Water bottle. No glass or the screw on off lids that require removal to drink. Please LABEL with FIRST and LAST name.
- Emergency outfit for any accidents, including socks. Current weather appropriate. Please label with child’s name and place in labeled bag.

\*Beginndergarten will not need a separate pair of gym shoes. We will use the gym together when available and go outside daily, so please consider this when choosing daily shoes.

\*In late Fall, the kids may bring in a pair of non-skid(hard bottom) slippers to keep here. Muddy wet boots start to make everything damp, so dry slippers are a good option.
