It is our common understanding that it takes all stakeholders to ensure a quality educational program and high levels of learning. In order to support the Marysville Public Schools mission and vision we commit to the following:

As a Teacher, I will:

- Develop meaningful relationships with parents and students to encourage communication and promote student learning
- Provide a high quality curriculum and effective instruction for all students
- Hold high expectations both academically and behaviorally for all students and celebrate achievements
- Provide a safe and positive learning environment
- Provide assistance to parents so they can support their children
- Respect the school, staff, students and families
