

## Parent/Guardian of a school-aged child:

The State of Michigan requires children to be age-appropriately vaccinated to enroll in school programs, unless a valid exemption applies. Parents must provide the school with a vaccination record and/or a valid exemption\*.

### **Vaccines required for children entering kindergarten or a young five program:**

- 5 doses DTap
- 4 doses Polio
- 3 doses Hepatitis B, or laboratory evidence of immunity
- 2 doses MMR, or laboratory evidence of immunity
- 2 doses varicella, or laboratory evidence of immunity, or disease history from a physician

### **In addition to the above vaccines, 7th graders are required to have the following vaccinations:**

- 1 dose Meningococcal ACWY
- 1 dose Tdap

### Waivers

**1.\*Non-medical Immunization Waiver** - The local health department must certify this type of waiver for religious or other objection(s) to vaccine(s). The required certification must be in person and available only at St. Clair County Health Department.

Non-medical immunization waivers are now completed electronically using the Michigan Care Improvement Registry (MCIR). Parents are no longer required to submit a paper copy of the waiver to the school.

To obtain a non-medical waiver, parents/legal guardians are required to receive waiver education on the vaccines waived.

**2.\*Medical Contraindication Waiver** - This type of waiver is completed by a physician (MD or DO), verifying a medical reason that prevents the child from receiving a specific immunization(s) for a specific time.

The Medical Contraindication Waiver Form can be obtained by visiting your child's Primary Care Provider. Once completed, the waiver form must be submitted to the child's school by the parent/guardian.

*Any child with a valid exemption to particular vaccination is considered susceptible to that vaccine preventable disease and is subject to exclusion from the school if an outbreak of the disease occurs.*

## **Our Locations**

### **St. Clair County Health Department Main Building**

- All Ages
- 3415 28th Street Port Huron, MI 48060
- 810-987-5300

### **St. Clair County Teen Health Center**

- Ages 10-21
- 2215 Court Street Port Huron, MI 4806
- 810-987-1311
